FONTAINEBLEAU MIAMI BEACH

9TH ANNUAL SCIENTIFIC MEETING

The American Society of Pediatric Neuroradiology

EXHIBITOR & SPONSOR PROSPECTUS

DEAR COLLEAGUES,

The American Society of Pediatric Neuroradiology is thrilled to invite you to participate in our 9th Annual Scientific Meeting! This premier "extravaganza" will be held January 21–24, 2027 at the legendary and glamorous Fontainebleau in Miami Beach.

CONNECT, LEARN, AND INSPIRE!

ASPNR27 will be an engaging summit for the global pediatric neuroradiology community. It is a space designed to foster learning, networking, and mutual inspiration. True to our mission, students and early-career radiologists will find unique value in our society's robust commitment to mentorship.

- **Social Networking:** Our receptions under the Miami stars offer a relaxed setting to build lasting professional bonds.
- **Miami Nights @ LIV:** Join us for an unforgettable evening of camaraderie, music, and dancing in Miami Beach.

SPECIALIZED PRE-MEETING EVENTS

We are proud to offer three simultaneous pre-meeting tracks to kick off the programming:

- **The Core Curriculum:** A comprehensive review of the essentials of pediatric neuroradiology for a wide range of learners.
- **Hands-on Advanced Neuroimaging Workshop:** A deep dive into advanced imaging approaches led by the field's most respected researchers and educators, featuring live demonstrations and hands-on attendee use of the software applications.
- **AI Workshop:** A full-day pre-course on artificial intelligence in pediatric and adult neuroradiology — a morning AI-literacy track open to all attendees and an afternoon research-and-builder track for those running AI projects — capped by the AI Pitch Stage, where attendees pitch dataset, validation-site, and unmet-need partnerships live to a panel of AI vendor "Sharks."

SPONSORSHIP & PARTNERSHIPS

Please visit ASPNR.org for complete meeting details and sponsorship applications. We offer a variety of support levels to ensure your brand resonates with our attendees — including a new $5,000 Bronze tier created for first-time exhibitors and early-stage companies.

Our Director of Events, Zenia Spear, is available to help you customize a package that aligns with your company's strategic goals.

We invite you to showcase your latest innovations to a passionate community of radiologists and neuroscientists within ASPNR's signature educational, upbeat, and warm environment. I look forward to welcoming you to the stunning shores of Miami Beach in January!

About the ASPNR

American Society of Pediatric Neuroradiology

The ASPNR was founded in 1992 with the objective of developing, fostering, and supporting the care of pediatric patients undergoing neuroradiologic imaging examinations and procedures. The ASPNR aims to maintain the highest standard of practice, research and education in pediatric neuroradiology, an area of specialization in the broader field of neuroradiology. Members of the ASPNR enjoy a culture of close fellowship and collegiality that provides a platform for exchange of ideas and dissemination of knowledge between pediatric neuroradiologists and kindred pediatric and/or neuroscience physicians, and scientists. There are over 700 ASPNR members as of April 2026.

2027 ASPNR Scientific Meeting

- **Friday, January 22 - Sunday, January 24, 2027**
- **Fontainebleau Miami Beach, Miami Beach, FL**
- **Advanced Neuroimaging Workshop, AI Workshop, and Core Curriculum on Thursday, January 21**
- **400 attendees expected**

WORKSHOP SPONSORSHIP

NEW!

AI WORKSHOP + SHARK SEAT — $6,000 (4 opportunities)

THURSDAY, JANUARY 21, 2027

Fontainebleau Miami Beach.

New for 2027, the ASPNR pairs a full-day AI Workshop pre-course with the AI Pitch Stage, a marquee event in which pediatric neuroradiology attendees — fellows, junior faculty, and clinical leaders — pitch dataset, validation-site, and unmet-need partnerships to a panel of AI vendor "Sharks," who commit engineering hours, data access, licenses, and deployment slots live and on stage. Sponsorship underwrites both events.

- Reserved seat on the on-stage Shark Panel and a commitment-token allocation
- 15-minute vendor presentation slot during the AI Workshop
- Exhibit table at the AI Workshop/Pitch Stage venue (not in the main meeting exhibit hall), 2 Exhibitor Badges for the AI Workshop ONLY, early access to finalist pitch materials
- Presenting-sponsor recognition for the full-day AI Workshop pre-course and a podium acknowledgment (no influence over curriculum or faculty)
- Recognition on the ASPNR website, social media, and all meeting signage
- Workshop registrant Pre-Show and Post-Show attendee list

Non-CME programming; all Sharks and pitchers disclose conflicts. Shark Seats are open to all AI vendors; demonstrated pediatric use cases or pediatric training data are encouraged but not required.

Annual Meeting Exhibit Booth (Not Included) – Additional Cost: $3,000

ADVANCED NEUROIMAGING WORKSHOP:

THURSDAY, JANUARY 21, 2027

Fontainebleau Miami Beach

The Hands-on Advanced Neuroimaging Workshop will be held the day before the ASPNR's Annual Scientific Meeting on Thursday, January 21, 2027. Workshop registrants will start the day with relevant lectures and then practice what they have learned with 30 minutes hands-on practice session with each sponsor. After the lunch, the Sapphire-level sponsors will have the opportunity to provide hands-on demonstrations of their software programs in rotating 30-minute small-group sessions.
