6TH ANNUAL SCIENTIFIC MEETING

The American Society of Pediatric Neuroradiology

JANUARY 12 – 14, 2024

MANCHESTER GRAND HYATT, SAN DIEGO, CA

21.5 AMA PRA Category 1 Credit(s)TM

For more information visit www.aspnr.org

DEAR FRIENDS AND COLLEAGUES,

If it's January, it's ASPNR! It is my pleasure to invite you to the **6th Annual Scientific Meeting of The American Society of Pediatric Neuroradiology**, which will be held at the beautiful **Manchester Grand Hyatt** in sunny **San Diego** from **Friday, January 12 to Sunday, January 14, 2024**, with special programming on **January 11**. The Annual Meeting will appeal to a wide audience that includes pediatric and adult neuroradiologists, general pediatric radiologists, child neurologists, neurosurgeons, and neuroscientists. The meeting will take place over 2.5 days on a holiday weekend, allowing registrants time to learn, network, and enjoy the cultural vibrance of San Diego!

HIGHLIGHTS INCLUDE:

- **NEW** this year, we will offer a day of **Core Curriculum** on Thursday, January 11! This pre-meeting day of learning will focus on the **essentials of pediatric neuroradiology**.
- Back by popular demand, the **Hands-on Advanced Neuroimaging Workshop** will focus on **functional MRI**. This pre-meeting course will also take place on Thursday, January 11.
- For those arriving early, there will be a **Craft Beer Tour** on Wednesday afternoon, January 10. Come taste a variety of local award-winning beers made in America's Craft Beer Capital!
- The Keynote Address will be delivered by **Dr. Tina Young Poussaint**, Radiologist-in-Chief and Lionel W. Young Chair in Radiology at Boston Children's Hospital.
- The scientific meeting will feature topics such as **Pediatric Stroke, CNS Malformations, Child Abuse, Developmental Head & Neck, Epilepsy, Fetal/Neonatal, Neuro-oncology**, among others!
- The **YPS Mentor Mixer** will offer a chance for trainees and young professionals to network with senior members of ASPNR.
- Saturday evening's **ASPNR Gala** will be a memorable event with a live band and dancing! It will take place at the **San Diego Wine & Culinary Center**.
- Please join us for the first ever **ASPNR 5K Fun Run / Walk** on Friday morning in support of **Pediatric Neuroradiology Research!**
- Lastly, we are excited to launch the **ASPNR Art Blast**, where we will highlight our community's artistic talents, reflecting the theme of **Power of Creativity**.

With more than its fair share of sunshine, gorgeous beaches, breweries and top-notch restaurants, San Diego is THE spot for California fun. Situated right on the Pacific Ocean with a great climate, it draws crowds year-round. So, what should you do on your first trip to San Diego — or your second or your fifth visit? The **San Diego Zoo** is world famous and home to over 3,700 animals from around the globe. It is an excellent destination for families and is only a 10 min drive from the Manchester Grand Hyatt. **Balboa Park**, a massive urban park, features numerous museums and gardens and is a great place for leisurely walks, picnics, or exploring cultural attractions. Located right behind the hotel, **Seaport Village** is a waterfront shopping and dining complex with picturesque views. Head north along the boardwalk and you'll find yourself at the **USS Midway Museum**, one of America's longest serving aircraft carriers. Take a tour and imagine experiencing life at sea! For those that are looking for a bit of nightlife, **Little Italy** is a chic, pedestrian-friendly neighborhood, packed with boutiques, trendy cocktail bars, brewpubs, and restaurants with bustling patios. So go hungry!

I look forward to seeing everyone in San Diego this January at **#ASPNR24!**

COME EARLY AND STAY LATE!

CME INFO

Accreditation Statement

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the National Association for Continuing Education (NACE) and the American Society of Pediatric Neuroradiology (ASPNR). NACE is accredited by the ACCME to provide continuing medical education for physicians.

Credit Designation Statement

The National Association for Continuing Education designates this live educational activity for a maximum of 21.25 AMA PRA Category 1 Credits™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

CME Objectives

- Discuss the importance of fundamental and advanced education of pediatric neuroradiology.
- Accurately identify and explain the key features and diagnostic criteria of ventriculomegaly on fetal Neuro MRI scans.
- Demonstrate the ability to perform vessel wall imaging, interpret the findings, and articulate the significance of this technique in clinical practice.
- Accurately identify and differentiate Chiari I deformities in radiological scans, and provide precise and consistent reports that inform surgical therapy decisions.

HOTEL INFORMATION

Manchester Grand Hyatt
1 Market Pl, San Diego, CA 92101

The Manchester Grand Hyatt San Diego is the host hotel for ASPNR 2024. NEW THIS YEAR!

Core Curriculum

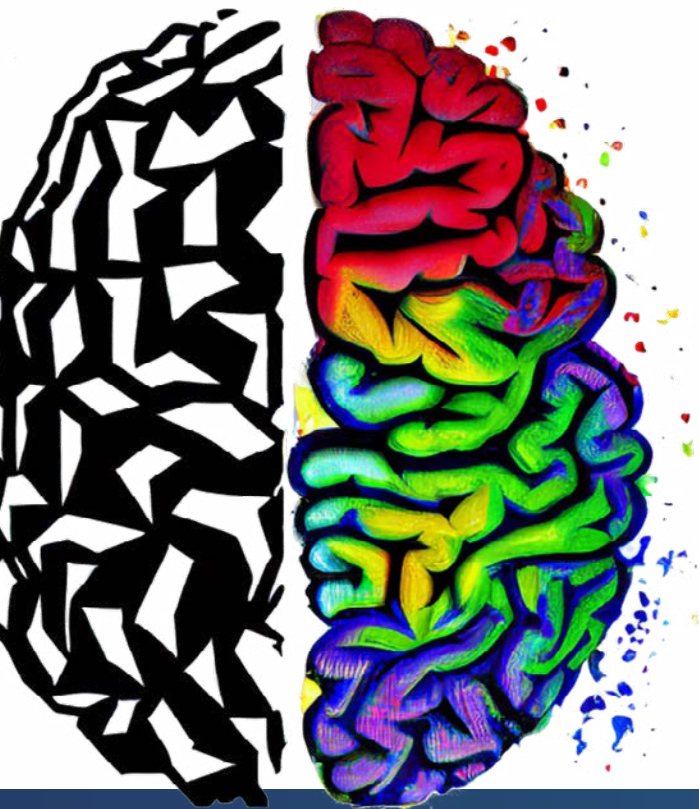

JANUARY 11, 2024

New this year, we will be offering a day of **Core Curriculum** on Thursday, January 11! This pre-meeting day of learning is specially designed for trainees, young professionals, adult neuroradiologists / general pediatric radiologists, and child neurologists interested in the **essentials of pediatric neuroradiology**. The entire 'Curriculum' is spread out over a three-year cycle. This year we will focus on **Neonatal Conditions, CNS Trauma, Head and Neck Infections, White Matter Disorders, Spinal Tumors and Mass-like Lesions, and Phakomatoses**.

**registration required*

Poster Spotlights

Abstracts demonstrating particular strength and interest have been selected as **Poster Spotlight Presentations**. Authors will stand by their posters during designated conference breaks and present their work as well as answer questions from attendees. See agenda for Poster Spotlight schedule.

6TH ANNUAL SCIENTIFIC MEETING
SAN DIEGO, CA

ASPNR 5K Fun Run/Walk

JANUARY 12, 2024

Please join us for the inaugural **ASPNR 5K Fun Run / Walk** in support of Pediatric Neuroradiology Research at ASPNR's 2024 Annual Scientific meeting in San Diego, CA on Friday, January 12th! The Fun Run / Walk will take place along the beautiful San Diego bayfront.

This professionally organized race event will feature electronic race timing and online accessible individual and overall race results. Refreshments will be available at the race start and finish lines. Proceeds from the event will go to benefit the **ASPNR's Barkovich, Naidich, and Harwood-Nash Research Fund**. The ASPNR is a 501(C)(3) non-profit organization.

All registered race participants will receive an ASPNR race t-shirt!

ASPNR Art Blast

Calling all artistically inclined radiologists! We are thrilled to announce an exciting opportunity for you to showcase your artistic skills at the upcoming ASPNR 2024 meeting. For the first time, we invite you to submit your artwork for consideration of display. From these submissions, we will carefully curate a selection of pieces to be transformed into stunning canvas prints that will grace our meeting venue. Your creative talents deserve to shine not only in the radiology room but also on the artistic canvas. Join us in celebrating the fusion of art and science, making this ASPNR meeting an unforgettable and visually captivating experience. Take advantage of this chance to share your unique perspective and inspire others through the power of imagery. Submit your artwork today and let your creativity illuminate our meeting! **Deadline for submission is December 15th.**
