Employed Pediatric Radiology + MSK | Dallas, TX | Peds Ortho Hospital

Incredible opportunity due to service line expansion at Scottish Rite for Children. If you're seeking a lifestyle radiology position this is THE hospital you want to join.

Opportunity Details:

- Join an established group of 6 radiologists to practice a mix of pediatric musculoskeletal radiology plus neuroradiology at Scottish Rite for Children, a pediatric orthopedic hospital
- If you're seeking a lifestyle radiology position this is THE hospital you want to join as no evenings, nights or weekends are required
- This unique practice offers ample opportunity for direct patient contact and real-time collaboration with world-renowned surgeons.
- Case mix is 70% MSK, 25% Neuroradiology and 5% Other
- Scottish Rite for Children provides care for patients with spina bifida, clubfoot disorders, hip disorders and general pediatric orthopedics, and including sports medicine for high-level child and adolescent athletes.

Living in Dallas:

- Dallas, the fourth largest metropolitan area in the country, is home to one of the largest urban arts districts, giving residents access to a cultural array of fine art, performing arts, symphony, opera and theatre
- For sports enthusiasts, grab a seat and watch any of the professional sports franchises play in person. Teams include Dallas Cowboys, Dallas Mavericks, Texas Rangers and Dallas Stars
- The area offers unparalleled dining and amazing upscale shopping
- Educational choices abound from public and private schools to local colleges and universities
- No state income tax

Scottish Rite for Children is one of the nation's leading pediatric orthopedic centers. A wide range of orthopedic conditions are treated, including sports injuries and fractures, as well as certain arthritic, neurological and learning disorders, such as dyslexia. Patients receive treatment regardless of the family's ability to pay.
