The ASPNR's Annual Meeting is the largest North American conference dedicated to the imaging of neuroradiological disease in children. The meeting will span 2½ days and will bring neuroradiologists, pediatric radiologists, general radiologists, and physicians focused in the neurosciences together to share the latest research developments, state-of-the-art knowledge, new imaging advances, and up-to-date imaging recommendations. The educational format will include didactic lectures, case-based reviews, scientific oral abstracts, and poster presentations. We will feature keynote lectures from world-renowned leaders in the field of pediatric neuroradiology and there will be widespread North American and International representation.

Join us at the Eden Roc Hotel from January 10-12, 2020, in Miami Beach, Florida, where you will engage with more than 380 radiologists from around the world.
